24 October 1978

MEMORANDUM FOR THE RECORD

SUBJECT: Senate Select Committee on Intelligence (SSCI)
Staff Members Review of Agency Files on [REDACTED]

1. (S) David Shaw and Jean Evans, SSCI staff, reviewed IG and OS files on the [REDACTED] case. Due to the ground rules set forth by OS and IG, the staffers were not allowed to take notes of the material, but were allowed to clip any pages that they wanted copies of. [REDACTED] OS, stayed with the OS files during the staffers review of the OS material. The only notes taken by the staffers concerned the discussions they had with [REDACTED] concerning the ground rules regarding their use of OS material.

2. (S) Mr. Shaw felt that their review of the files was completed and that upon receipt of all the material that they had clipped in CI Staff, OS and IG files they then would make a decision as to whether any further discussion or review would be necessary. The notes taken during the session were given to [REDACTED] who will review them before transmitting to the SSCI staff for retention.

[REDACTED]
Coordination and Review Staff
